EAT, DRINK AND BE GIVING !

On behalf of the consumers and families of the Staten Island Center for Independent Living (SICIL), I would like to personally thank you all for your continued support.

As you know, during these difficult economic times, we must rely on the support of our Community Legislators, local businesses and agencies, for assistance to provide quality services to the disabled community at no cost.

Your support will enable us to continue to provide these services in spite of excessive cuts to our budget due to the pandemic, that has affected us all personally, professionally, and nationally.

Michelle Sabatino, MSW Executive Director
